Challenging Our Minds ♥ Growing Our Hearts

A Message From Mrs Taylor ♥

As we come to the end of another wonderful school year, I would like to thank all of our families for their continued support, encouragement and partnership.

This year has been filled with learning, laughter, achievements and memorable experiences, and we are incredibly proud of everything our pupils have accomplished.

I hope you enjoy looking back on some of the highlights of the year as we celebrate all that we have achieved together as a school community.

Thank you for being such an important part of our schools.

ATTENDANCE MATTERS

Regular attendance and good punctuality are essential for children to make the most of their learning opportunities.

At Ysgol Nannerch, the school day begins at 8:50am, and children should arrive by 8:40am so they are ready to start learning on time. At Ysgol Nercwys, the school day begins at 9:00am.

Arriving late can be unsettling for children and disruptive to the rest of the class, and it often means that important instructions, learning activities and opportunities to connect with classmates at the start of the day are missed.

While we understand that there may be exceptional circumstances, holidays during term time are only authorised at the Headteacher's discretion and will depend on a child's overall attendance record.

This year, our whole-school attendance has averaged 92%. Next year, both schools will be working together to improve attendance and are aiming to reach 94%.

By ensuring children attend school regularly and arrive on time each day, parents can make a significant contribution to their child's learning, wellbeing and success.

Challenging Our Minds ♥ Growing Our Hearts

PLANS FOR THE YEAR AHEAD

Next year we will be focusing on the following areas of development:

TARGET 1 Challenge

Challenge children to use their skills confidently and independently across the curriculum.

TARGET 2 Wellbeing

Support children to be healthy, happy and confident, who feel a strong sense of belonging and can build positive relationships with others.

TARGET 3 Reading

Strengthen our reading culture so that all children develop the skills and confidence to become successful readers.

UKRAINE PARTNERSHIP ♥

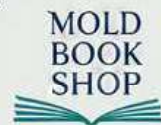

As part of target 3, Nercwys Primary School will be taking part in a school partnership programme with a Primary School in the Ukraine.

The project will kick off in Poland with a three-day conference for staff. Mrs Styles has her passport ready and is excited to begin!

MOLD BOOKSHOP PARTNERSHIP ♥

We also have exciting plans to work with Mold Book Shop in the autumn term to inspire a love of reading across both schools.

FUNDRAISING

Thank you to everyone who has supported our many fundraising events this year. Funds raised will go towards replacing the ageing trim trail at Nannerch which is now defective and unusable. Some funds raised at Nercwys will go towards re-decorating the large foundation phase classroom and more outdoor equipment for the children to enjoy.

We are always looking for new and exciting ways to raise funds to enhance opportunities and resources for our children. If you have any fundraising ideas, contacts within local businesses, or would be willing to help organise an event, we would love to hear from you. Working together as a school community, we can make a real difference and provide even more enriching experiences for our pupils.

Thank you ♥

THANK YOU

I would like to take a moment to express my gratitude to all the staff and governors across the federation. Being part of a small school means that everyone goes above and beyond, often quietly and sometimes without recognition. I feel incredibly fortunate to work alongside such a talented and compassionate team who make our schools such special places to work and learn.

AND FINALLY... ♥

As the summer begins, I hope you find time to rest and to enjoy precious time with family and friends.

May Jesus' invitation to his disciples be yours in the weeks ahead:

"Come with me by yourselves to a quiet place and get some rest."

Mark 6:31

I wish all our Year 6 leavers all the very best for the future in their new schools.
